CCA DISCOVERY DAY 2023

FOOTBALL BOYS

20 October 2023

I LOVE FOOTBALL

CCA Discovery Day 2023

Football is offered to boys who want to experience the team sport at a young age.

Our young talents are taught basic skills, including body and mental strength, agility and coordination according to their readiness levels.

We aim to provide the boys with an experience to develop their talent, learn new techniques and life skills as well as gain experiences that develop their character.

Our students undergo training under the guidance of our coaches.

They are also supported by the teachers and parents for training sessions and competitions such as NSG.
