

Information Pertaining to Parent Volunteer (PV) Scheme (Phase 2B) – P1 Registration Exercise

Thank you for making White Sands Primary School the school of choice for your child's primary school education. Before you proceed to complete the form, please take note of the information below.

1) Eligibility for PV Scheme (Phase 2B)

Only parents whose children are **Singapore Citizens (SCs)** or **Singapore Permanent Residents (PRs)** are eligible to apply for the PV Scheme (Phase 2B). The parent should apply to be a PV in the year preceding the child's P1 registration year and must have contributed at least 40 hours of voluntary service to the school by 30 June in the year of registration to be considered for the Phase 2B registration.

2) Registration Process and Documentation

Registration is open between 02 January to 30 April every year with effect from January 2020. Parents should register in the year preceding the child's P1 registration year. To register, please submit the following:

- a) Completed registration form, and
- b) Scanned copies of the child's birth certificate and the parents' NRICs.

Incomplete and/or late application will not be considered. Parents should either email the documents to wsp@mo.e.edu.sg, with the subject title: "**Parent Volunteer Scheme (Phase 2B) Registration**", or drop the registration form with accompanying documents off at the General Office of the school. Applicants will receive an acknowledgement within 7 working days of submission.

3) Selection of PVs

The selection of PVs is not on a first come first served basis. **The school reserves the right to short-list applicants whom it deems suitable to meet the needs of the school and our pupils.** Preference is given to applicants who are able to render volunteer services during school hours on weekdays. Applicants who are considered for the application may be required to attend an interview to determine whether the skillsets are compatible with the school needs. All applicants will be notified via email on the outcome of their application. The school does not disclose reasons for selection/non-selection of applicants.

4) P1 Registration and Balloting

PVs who have fulfilled at least 40 hours of voluntary services will receive a letter by the first week of July in the year of their child's P1 registration, confirming their completion of voluntary service and eligibility to register their child under Phase 2B. **Being accepted as a PV does not guarantee that the child will be admitted into the school.** Balloting will be conducted if the number of applications exceeds the number of vacancies available in Phase 2B. Children who are Singapore Citizens will be given priority before Singapore Permanent Residents. Thereafter, home-school distance is considered.
